## What happens after death?

The most significant difference between A,B,C,D, & E "dispensations" is that (in my opinion) the **content** of the message of **salvation** is different, i.e. the Church knows more information about salvation than Adam did. Note **B,D, & E** are in "Mosaic Red"

Resurrection refers to 5 things:  
 Matt 22.28 = the Messianic Kingdom to OT Jew  
 John 11.25 = Jesus' rising from dead (also Acts 1.22)  
 Acts 23.6 = Church members go to heaven  
 Acts 23.8 = Sadducees deny an afterlife  
 Rev 20.6 = there is a first resurrection & a second

Differences of opinion:  
 Number of "dispensations" (and names)  
 Significant differences in ways God deals with mankind

Rev 20.15
